Building for a Healthy Future!

In Memory

A donation in memory of a family member, friend or colleague who has passed away is a kind and thoughtful way to let others know you care.

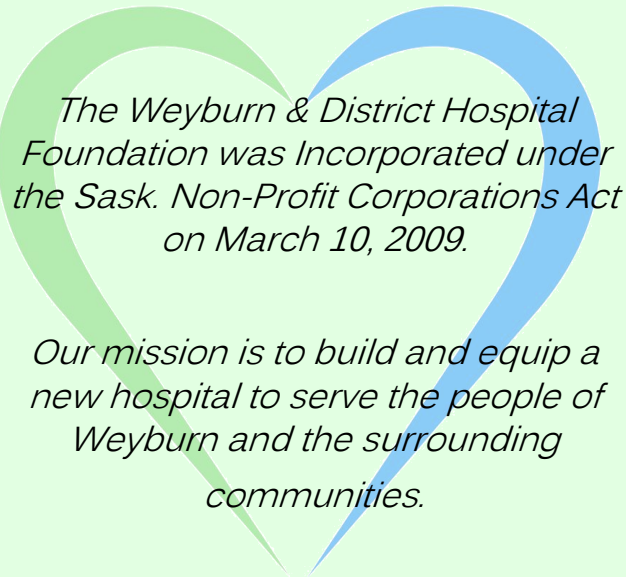

Your gift will be an ongoing tribute to someone you love and will assist the Weyburn & District Hospital Foundation Inc. to move one step closer to a new hospital with improved health services and technologies.

While the Provincial Government provides funding for operations, there is no funding for capital purchases. Better health care does not come simply from upgraded facilities and good medical practitioners, but also requires state of the art diagnostic and treatment equipment.

Your donation will be acknowledged with a tax deductible receipt and the family will be notified of your generosity.

The amount of your donation will not be disclosed.

Thank you for your consideration during this difficult time.
